PRODUCT DESCRIPTION

PURE AUTHENTIC COLOUR INFUSED INTO THE MATERIAL OF A CERAMIC BRICK

Abacus is a project that bases its expressive power on colour, the vibrant star of the series, with 9 well-balanced shades ranging from brighter to more natural tones.

The design integrates influences from traditional majolica, whose craftsmanship underlies the gently undulating and softly imperfect surface. Alongside the natural finish, which is matt, but soft to the touch, the gloss finish further emphasises this link with the most typical ceramics of the Mediterranean tradition. The two surface finishes, which are available in all colours, are complemented by the Plissé decor with its distinctly three-dimensional structure.
