PRODUCT DESCRIPTION

EXCLUSIVE COLLECTION EME ANTHRACITE CERAMIC TILE

The beautiful design of the Eme collection transmits the serenity of the Mediterranean sea and represents the richness of warm coastal land. The bold personality of stone merges with the light design of water to present a balanced style that is the perfect choice for endless styles and spaces.

Their ceramic body wall tiles compliment the porcelain perfectly for all the same reasons. Pattern, texture, color. MMG tile & stone Ceramics has solutions for all.Our featured Eme Ceramics products.

Ceramic Tile is one of the best decorative tiles for expressing color and design. Due to its physical properties, ceramic tiles will absorb more colorful glazes and intricate designs.

Their porcelain products all offer high design at competitive prices with all the physical attributes and durability of porcelain for the heaviest traffic applications.
