1 REVIEW FOR FARMHOUSE STONE PORCELAIN

5 out of 5

My experience with MMG Tile & Stone exceeded expectations. I highly recommend using this company to anyone for their tile and marble needs. They are honest professionals who value their clients and provide personalized service. I dealt mainly with Ana in the front office and with the accountant. Ana was patient and courteous while dealing with my tile order and gave me a 10% discount as a first time customer. Ana worked closely with me, especially when I phoned Ana early on a Monday morning to cancel my tile order after realizing I mistakenly ordered interior tile for my exterior deck. The shipment was on the Florim USA dock for shipping the next day. She assured me the ordered could be canceled and the more that \$2000 was fully refunded in a timely manner by the accounting office.
