PRODUCT DESCRIPTION

DESCRIPTION

ROBUST AND STYLISH EARTH MANHATTAN GREY PORCELAIN OUTDOOR PAVER

MMG tile & stone outdoor is the range of tiles for outdoors that combines design, sustainability, high performance and flexibility for public and private spaces, A versatile and weather resistant design for exteriors.

Earth Inspired by the Dolomites in Northeastern Italy, offers the classic beauty and variation of natural stone and the unparalleled durability of porcelain, Earth is perfect for designers and consumers who admire the elegant look of naturally occurring stone like that of the Dolomites. The beautiful organic qualities of Earth were inspired by the mountains, rivers, and valleys of the Trentino region and create a natural effortless style in any outdoor setting

Innovative Porcelain Concept: The new 2cm thick paving system for exterior floor coverings offers a blend of design, versatility, performance, simplicity of installation and eco-sustainability, The porcelain stoneware doubles in thickness (20 mm) to adapt to any type of outdoor use, from private gardens to public parks, pool exteriors and patios or terraces and driveways.
