DESCRIPTION

ESSENCE TWO SOULS ONE AMERICAN TRADITION THE AUTHENTICITY OF NATURE THE POWER OF PORCELAIN

The Slate Design Projects comes with Vibrant, characterized by intricate patterns and rich contrasting color backgrounds

Essence Montauk Black captures the spirit of natural slate, a sedimentary rock renowned for its aesthetics and importance in American architecture. The collection embodies two distinctive personalities, one featuring a tone-on-tone graphic and the other an enriched pattern, to design a total stone look for both indoor and outdoor applications

Rich textures, and a distinctive appearance with the superior performance of porcelain, Slate Design Project offers a broad range of solutions for any surface, both floors and walls, indoor

as well as outdoor, including refined transitional In & Out applications. The large format matte natural finish allows it to be used for projects with design styles from traditional to modern.

Slate Design Project is MMG tile & stone porcelain look inspired by natural slate, a sedimentary rock widely used in American architecture. The collection features two distinct surface personalities: one characterized by tone-on-tone graphics, and the other with intricate patterns and rich contrasting color backgrounds. Both are ideal for floors and walls, outdoor and indoor spaces, whether residential and commercial.

Porcelain Pavers Outdoor porcelain pavers are frost-resistant, skid-resistant, durable and easy to clean.
