PRODUCT DESCRIPTION

DESCRIPTION

CREATE AN OUTDOOR SPACE YOU LOVE PORCELAIN PAVERS WALNUT - WOOD LOOK

Walnut porcelain pavers are outdoor or indoor flooring tiles made from porcelain but designed to mimic the appearance of walnut wood. These pavers combine the beauty of natural walnut wood with the durability and low maintenance of porcelain. They are often used for patios, walkways, pool decks, and even indoor spaces where the look of wood is desired, but the resilience and weather resistance of porcelain are needed.

MMG tile & stone offers a complete range of collections to dress wall and floor surfaces of residential and commercial ambiances indoors and outdoors .

Walnut features an authentic Wood look for a modern take on a timeless classic. Suitable for both indoor and outdoor use, install these tiles to create stunning floors throughout residential and commercial properties where a low maintenance, easy to clean, made anti-slip textures and durable material is needed. The large format and matte natural finish allows it to be used for projects with design styles from traditional to modern.

Applications : Add detail and interest to outdoor patios, walkways, floors, pool decks, front yard landscaping, backyard landscaping, landscaping stepping, driveway, garage stones and other features with this stunning Wood -look Premium Porcelain Paver.
