PRODUCT DESCRIPTION

DESCRIPTION

THE MOST ICONIC MATERIAL FOR ARCHITECTURE TRAVERTINE VEIN CUT

Travertine is one of the hallmarks of classical architecture, celebrated for natural elegance, refined texture, and enduring strength. Its warm tones and distinctive veining patterns make it an essential material in projects of timeless sophistication.

“Natural” is a gathering of porcelain tile collections that are inspired by different natural stones. Amazing surfaces for floors and walls that recall the shades of the natural material enhancing architecture and design with character and intense elegance. The excellent technical characteristics of MMG tile & stone porcelain tile guarantees optimal performance in every intended use both residential and commercial.

Travertine complete surface range can be combined to achieve a unified aesthetic in residential and commercial spaces: a wide selection of porcelain solutions to meet the needs of contemporary design.

Mosaic Decors Contemporary Signs to Enhance Every Setting Porcelain mosaics complement the Travertine Refined and Travertino Vibrant surfaces, enhancing wall and floor design through an extra layer of sophistication, providing patterns that elevate the aesthetic of any space
