PRODUCT DESCRIPTION

DESCRIPTION

URBAN MASTERPLAN PORCELAIN VENEER LEDGESTONE

Three Distinctive Surfaces, An elegant finish, highly suitable for indoor spaces or smooth outdoor environments, combining contemporary design and refined taste.
Pro ledgestone recreates the patterns of stonework using stacked ledge with ideally no joints thanks to perfect cuts and professional installation

Traditional Veneer is reimagined to preserve its beauty and authentic stone feel, while pushing boundaries of material excellence thanks to highly performing porcelain veneer. Refined, modern surfaces, impervious to extreme temperature and unpredictable weather, immune to the signs of time. The tradition has a new future with porcelain veneers

Bluestone finds inspiration in the most refined and used American stones sourced from Pennsylvania. The Bluestone is a famous stone, known in all north America, used in some of the most important architectures. A highly versatile selection available in the Full Color, Blue Select and Tumbled alternatives, able to either blend in or highlight contrast depending on the designated environment and desired look

- **APPLICATIONS:** DECORATIVE WALLS, PORCHES, SWIMMING POOLS, FIRE-PITS,
