DESCRIPTION

AUTHENTIC NATURAL STONE PREMIUM ABSOLUTE BLACK GRANITE TILES

Granite is the strongest natural stone in the world. It's used to make tiles for high traffic areas like office building lobby flooring and hotel entrance floors. Darker colors are some of the hardest stones, such as tan brown, black galaxy, or absolute black. Granite is one of the most popular natural stone tiles to install. It’s easy for beginners, and requires a limited skill set to cut it with ease. For these reasons, granite.

Granite tiles are attractive, durable and come in many colors and styles. They are resistant to stains and moisture, making granite tiles very versatile. Builders and decorators have relied on the beauty, strength and quality of fine granite for centuries. The distinctive veining and rich colors of granite make it a superb choice to make your rooms look their finest.

The Finest Natural Stone is a foundational material in interior design, offering unparalleled beauty and durability. Each natural stone in our catalog, hand-selected by MMG tile & stone, is a unique piece of the earth, meticulously vetted for quality to ensure consistency and aesthetic integrity. We proudly offer an exceptional selection of stone field tiles, many of which are available for in-house customization, allowing you to create truly bespoke installations.
