DESCRIPTION

AUTHENTIC NATURAL STONE LAGOS BLUE LIMESTONE TILES

Lagos Blue stands out for its quiet strength and disciplined consistency. Its medium grey body is lifted by subtle blue undertones and faint whispers of tan, offering a color story that feels both grounded and unexpectedly versatile. This is the stone that effortlessly bridges modern and traditional palettes, adding poise without competing for attention.

Ideal for flooring, walls, bathrooms, entryways, kitchens, and feature areas, Lagos Blue Limestone offers a versatile natural-stone aesthetic that complements both modern and classic architecture. Its distinctive cool palette and elegant character make it an exceptional choice for designers seeking a sophisticated, enduring surface with authentic natural beauty.

The Distressed finish is designed to enhance the stone's organic character and sense of age. As a natural material, limestone may exhibit variations in texture, edge softening, and surface movement, all of which are part of its unique appearance.

Versailles Set 5/8 includes: (1) 16" x 24", (2) 16" x 16", (1) 8" x 16", (2) 8"x 8" for a total of 6 pieces/set
