AUTHENTIC NATURAL STONE BLUE DE SAVOIE MARBLE SLABS

Bleu De Savoie is a marble with colors ranging from gray to blue, with tones varying from light to dark. It features delicate white veins, making it an iconic marble ideal for both interior and exterior projects, maintaining a refined character. An elegant and functional material.

Blue de Savoie is a crystalline marble quarried in the Savoy Alps of Eastern France. It is a unique marble, with unsurpassed delicacy of palettes, with shades varying from blue grey to dark grey. Also known as Bleu De France

The fines french grey marble Blue de Savoie marble is a highly prized natural stone known for its unique beauty and luxurious appearance. Originating from the French Alps, it is named after the Savoie region of France elegance meets modern versatility. Ideal for kitchens, bathrooms, floors, and walls, not to mention style points. Nature does it better with this brecciated grey-white Marble that showcases nature's beauty. This Natural Stone is sure to transport you to a beautiful world.

Marble is a naturally occurring material sourced from mother nature herself. A range of character and color variation is to be expected and is a part of its inherent beauty. MMG tile & stone is well-known for its hands on approach during the sourcing process to properly control this range and variation so that the material not only maintains design integrity but also its inherent natural beauty.

Our products are always inspected prior to shipment to ensure that the materials are of the best quality,
