AUTHENTIC NATURAL STONE CALACATTA EXTRA PREMIUM MARBLE SLABS

One of the most prestigious marbles ever, featuring an ivory white background crossed by decided veins of colouration ranging from warm grey to gold. It is extracted in the Carrara area. Always protagonist of particularly elegant and luxurious environments, the Calacatta is one of the most requested materials by architects and designers all over the world

Calacatta Extra Premium Marble is a rare and beautiful white marble renowned for its eye-catching gray veining and occasional golden-brown highlights. This luxurious and elegant stone has been used for the most prestigious commercial and residential properties worldwide for centuries, making it a timeless choice for high-end design.

Calacatta Extra Premium Marble is a distinctive Italian marble of whites and golds. Available in honed and polished finishes in tiles, slabs, and mosaics, this lovely tile creates perfect coordination in bathrooms, kitchens, and other interior design projects. This beautiful collection is offered in flooring, wall tiles, and countertops.

Marbles like **Calacatta premium marble** are among the world's five most valuable material. It's sought after for use in luxury residential and commercial projects due to its seamless pattern, clear white background color, and highly translucent surface. The Calacatta premium marble offers exceptional value for all your projects, whether you are looking to create beautiful **flooring, walls, bathroom vanity tops, kitchen countertops** and so much more. There is no denying the natural white color of this Calacatta Marble, and its natural gray veining makes it a popular choice for upscale high end properties throughout the world.
