PREMIUM NATURAL STONE EQUATOR MARBLE SLABS

Equator Marble is where turkish elegance meets modern versatility. Ideal for kitchens, bathrooms, floors and walls, not to mention style points, Marmara Equator marble is one of the most important marble species of Turkey

Nature does it better. Here, silver polished grey-white marble showcases nature’s beauty without compromising on household practicality, honed or polished for a statement finish: an amalgam of two beautiful worlds.

Marmara Equator Marble Slabs feature a striking linear pattern of alternating white and soft grey stripes, offering a bold yet timeless aesthetic. Sourced from the renowned quarries of Marmara Island, this marble is prized for its durability and distinctive appearance. Perfect for contemporary and classic designs alike, it enhances countertops, walls, flooring, and decorative accents with a sophisticated, architectural look.
