PRODUCT DESCRIPTION

DESCRIPTION

REVITALIZE YOUR SPACE WITH OUR DECORATIVE 3D FLUTE WALL TILES

Flute draws its form from the channels cut vertically into classical stone (fluted) columns, but inverted: waves undulate out from the center of Each tile, flowing from one to the next. The effect is smooth, dimensional, and architectural.

Add bold and playful color to your space with the Premium Fluted 6x24 Dimensional Honed Natural Stone Tile. Its textured 3D surface presents a subtle drama of light and shadow, lending depth to your walls. The Fluted Tile Collection showcases intricately carved stone tiles with a contemporary twist. The term "flute" defines the captivating reeded style that is deeply etched into the stone, offering a mesmerizing design for modern spaces. Our skilled design team handpicked a collection of seven of our top classic and exotic marbles, providing a dynamic display when these tiles are vertically aligned, creating a continuous reeded natural stone wall. Designed for use as modern tiles, the Fluted Tile Collection offers an

exquisite touch to any plain stone tile ensemble.

Crafted from premium natural stone, our flute wall tiles feature a refined ribbed surface that adds texture, depth, and modern elegance to any interior. Perfect for creating striking accent walls, fireplace surrounds, bathroom features, and luxury living spaces, these tiles combine timeless durability with contemporary design. Each piece showcases the unique character of natural stone, making every installation one-of-a-kind.
