LUXE WHITE MARBLE WATERJET MOSAICS TILES LACE COLLECTION

The Lace accent mosaic was inspired by lace fabric. This Marble Mosaic Tile has an intricate design that produces stunning drama. Small pieces of Thassos and Carrara Marble are used in this tile to create a luxurious mosaic that interlocks in a seamless fashion. White and Light Grey colors of high-quality marble pieces are easy to incorporate into your bathroom design ideas and kitchen backsplash.

The juxtaposition of two different marbles produces a unique tile that will fit any modern or traditional décor seamlessly. The mosaic pieces are cut with the highest precision in mind. The natural variation of the Thassos and bianco carrara helps the tile achieve the appearance of Chantilly lace with white and silver-gray accents. The White and light grey color is easy to match with elegance to many styles of interiors. The dreamy white stone and pale silver/gray combo mean that lace will be an excellent addition to eye-catching backsplashes, focal interiors, bathroom walls and floors, or main foye

Additionally, this waterjet mosaic tile can be used in other areas such as living rooms, and dining rooms, or even as decoration around a fireplace. The versatile design and sophisticated appeal of these tiles make them suitable for a variety of interior design styles, adding a luxurious feel wherever they are applied. As a leading Pure White marble supplier, we ensure that our products are of the highest quality and craftsmanship
