PRODUCT DESCRIPTION

DESCRIPTION

ONE OF THE KIND PERSIAN PORTORO EXTRA MARBLE SLABS

An utterly unique Italian marble, famed for its use in private and commercial residences of the elite, with linear rivulets of interlaced rose-gold and redwood against a background of midnight black, and cross veined with lightning-like white branches. Nero Portoro is quarried on an island off La Spezia.

Persian Portoro Marble is one of the durable and special marbles, which due to the unique features of this marble and its background color and very special design is one of the important reasons for this stone to be considered by the executors of luxury projects

The finest natural stone A unique classic natural stone. Marble slabs are a popular choice for interior design due to their ability to mimic the beauty and elegance of genuine marble Persian Portoro has more gold vein which makes more luxuries marble, Persian Portoro is an amazing marble that has a dark background with golden spider, Its unique and lovely pattern brings a warm atmosphere to places.

Applications : Mostly used as interior design, countertops and decorative products like stone tables, It is an excellent choice especially if used alongside white marbles, Few natural stones will you find as exclusive and select as the Italian black Gold Portoro marble, a high-end marble that is present in numerous luxury constructions
