DESCRIPTION

AUTHENTIC NATURAL STONE THE FINEST QUALITY OF THASSOS MARBLE SLABS

Thassos Luxury Marble is a kind of pure white marble quarried in Greece

The **Thassos extra marble** is one of the best qualities of marble. Often described as “**snow white marble**” because of the crystals which are contained and it resembles the white crystalline color snowflake. Thassos marble is one of the best white marbles worldwide, and its color is clear-white with no gray or black veins. It would not be an exaggeration to characterize it as a bright marble due to increased reflection of light on its surface.

Based on its physical properties, the **Thassos Extra Marble** is indicated for wallcoverings mainly in **interior spaces** and **floors**. It is often used in **counter surface** apart from

kitchen counters. It also has the potential to be used in wet areas such as floors and walls of bathrooms, showersand indoor swimming **pools**. Many **architects**, **designers** and **artists** tend to use **marble Thassos**, when they want to give simple line in design, regardless of the object creation for example spaces, jewelry etc.

The result of **Thassos marble** use, is unique because it gives **elegance and luxury** in current spaces. It plays a distinguished role onhighly sophisticated areas, so **architects** and **designers** prefer to propose it for high aesthetics projects. Freshness of **marble Thassos** makes it suitable for contemporary living areas and design. At the range of styles serves as white background, which intensifies the distinctive minimalistic character.
