As product of **Thassos marble** is classified as “**snow white marble**” because of crystals containing, are resembled the white crystalline color snowflake due to the white color with **no gray or black veins**. It would not be an exaggeration to characterize it as a **bright marble** increasing the reflection of light on its surface. Essentially a single white image is created by **Thassos marble** small pieces.

The **Moldings Thassos** primarily used for **wall applications**. The resistance of **marble Thassos** in moisture, makes it suitable for wall coverings in bathrooms and kitchens. The fact of giving the feeling of “clean” because of its **white color** and its ability to be easily cleaned, it helps to be chosen for **washrooms**.

Architects and interior designers are choosing **marble Thassos** because it provides **luxury** and **elegance**. The Moldings **Thassos** follows the lines of the horizontal and vertical axes, so often used in areas with absolutely **classical lines**. Furthermore, all moldings, so **moldings Titania Thassos** , used in places with **vintage** and **retro style**.

Thassos Marble is a pure white with the brilliant crystalline color
