PRODUCT DESCRIPTION

DESCRIPTION

AUTHENTIC NATURAL STONE THASSOS WHITE EXTRA PREMIUM MARBLE MOSAICS

Thassos Luxury Marble is a kind of pure white marble quarried in Greece.

White Thassos Extra Premium Marble Mosaics are crafted from high-purity natural marble quarried on the Greek island of Thassos, renowned for producing the whitest marble in the world. This extra premium grade features a luminous, snow-white background with minimal to no veining, delivering a clean, refined, and ultra-luxurious appearance.

As a product of **Thassos Extra Marble**, it is classified as “**snow white marble**” because of crystals containing, which resemble the white crystalline color snowflake due to the white color with **no gray or black veins**. It would not be an exaggeration to characterize it as a bright marble increasing the reflection of light on its surface. Essentially a single white image is created by Thassos marble small pieces.

Architects and interior designers, except for its characteristics that we have already said, are choosing marble Thassos because it provides a simple elegance. The **Mosaics Thassos** follows the lines of the horizontal axel, so often used in areas with absolutely classical lines. Furthermore, all mosaics, so mosaic Thassos can be used in places with **vintage** and retro style

Top Quality Natural Stone White Thassos is a pure white marble with the brilliant crystalline color
