PRODUCT DESCRIPTION

DESCRIPTION

AUTHENTIC NATURAL STONE THASSOS WHITE SELECT MARBLE SLABS

Marble Thassos is mined from the island of Thassos, which is located in the north of Greece. The island of Thassos, in ancient times, was an important trading post because of the unique marble which is mined from its quarries. The demand for marble thassos has increased across the line of history, and there is a **global interest** around **Thassos marble**.

The **Thassos marble** is one of the best qualities of marble. Often described as “**snow white marble**” because of the crystals which are contained and it resembles the white crystalline color snowflake. Thassos marble is one of the **best white marbles worldwide**, and its color is clear-white with no gray or black veins. It would not be an exaggeration to characterize it

as a bright marble due to increased reflection of light on its premium surface.

Thassos White Select Marble Slabs imported directly from the factory in Greece.
