## PRODUCT DESCRIPTION

### DESCRIPTION

#### AUTHENTIC NATURAL STONE TINOS GREEN MARBLE SLABS

Tinos Green Marble, also known as Verde Tinos or Panormos Green Marble, is a distinctive natural stone quarried on Tinos Island in Greece. This marble is celebrated for its deep green hues interspersed with white or whitish-green veins, creating a striking visual contrast.

This exotic material is the perfect stone to show off your style. Tinos Green marble is a gorgeous, luxury material that makes a statement in any room of your home. Whether you are looking for floor tile or countertops, Tinos Green marble has the luxury sheen and color to make it a perfect addition to your personalized space.

**Applications :** Multiple Applications for Construction and Decorative Purposes, Commercial & Residential Building Projects, Hospitals, Restaurants, Bars, Airports, Malls, Offices, Exterior Wall & Interior Flooring and Wall

Our products are always inspected prior to shipment to ensure that the materials are of the best quality, We ship nationwide
