AUTHENTIC NATURAL STONE TUNDRA GREY MARBLE SLAB

Tundra grey is a Turkish marble featured by silver and white markings which create a beautiful warm feeling.

Tundra Grey marble slabs feature a refined palette of soft grey tones with delicate white veining, offering a sophisticated and versatile natural stone option. Quarried in Turkey, this elegant marble is ideal for interior applications including countertops, feature walls, bathroom vanities, and flooring. The honed or polished finish enhances its smooth surface and contemporary appeal, making it a popular choice for both residential and commercial projects seeking timeless luxury with a modern edge.

The finest natural stone Tundra Grey’s simplicity and timelessness makes it a perfect neutral starting point for any design. Embodying elegance and classiness, this honed Limestone features light and dark grey speckles throughout on a solid grey base. Being such a minimalistic natural stone, this makes it perfect for all spaces including bathrooms, kitchens, floors, walls, fireplaces, and anything else you have your heart set on. Paired with bold or light colours, Tundra Grey is about working for (not against) your interior design dreams, a great choice for contemporary open-plan living space
