PRODUCT DESCRIPTION

DESCRIPTION

AUTHENTIC NATURAL STONE VOLAKAS WHITE MARBLE TILES

Volakas White Luxury Marble is a kind of White Marble Quarried in Greece.

The **Tiles Volakas White** consists of dolomite marble pieces. Volakas Classic is a white background marble with diagonal brownish, grey veins and clouds, creating a sense of movements all harmonically combined to convey a unique and distinctive identity

The finest natural stone Volakas is a kind of white marble quarried in Greece. This stone is especially good for Exterior – Interior wall and floor applications, monuments, countertops, mosaic, fountains, pool and and other design projects.

Volakas, from which the stone takes its name, is a remote village on the eastern flanks of the Falakron mountains in the Drama area of North Greece, close to the borders with Bulgaria. Today the name Volakas has become almost generic for a whole range of white and semi-white types of marble which are extracted from these mountains.

The popularity of this range of Volakas marble continues to grow at an astonishing rate and it is exported in large quantities to all parts of the world. The white background with light grey veining corresponds with nearly everyone’s perception of the most beautiful marble and it is specified by architects for many of the world’s most important buildings.
