PRODUCT DESCRIPTION

DESCRIPTION

NATURAL STONE CRISTALLO WHITE EXTRA QUARTZITE

Cristallo is an elegant white quartzite characterized by a exceptionally white background with fine beige and grey veins, highlighting natural crystallized features composed in the material

Cristallo is a beautiful and famous **quartzite** from Brazil characterized by a modern style with its light silver colour, Cristallo is one of a kind option in interior design applications such as kitchen countertops, bathroom vanity tops, dinner or living room table, walls & floors. Cristallo quartzite main feature is that it's much more tough and resistant than marble or other stone, this peculiar characteristic makes it perfect for interior applications on a high level of luxury finish. For **Cristallo quartzite** is recommended a polished or honed finish

Cristallo quartzite is a beautiful natural stone known for its compactness and durability due to the way it formed explained above. What sets Cristallo apart is its **transparent surface** quality and crystalline appearance which make it ideal for backlit walls & floors or **luxury countertop** applications.

Unique natural stone Cristallo is frequently used by interior designers all over the world in the most luxurious commercial and private project applications. It's highly required for Kitchen Countertops flooring, wall cladding, and other design objects like dining or coffee tables becoming the visual centerpiece of any environment where it is installed.
