PRODUCT DESCRIPTION

DESCRIPTION

RARE BY NATURE EXTRAORDINARY BY DESIGN

Mocamblu is a rare Brazilian natural stone quarried in the heart of Mocambo, Bahia, distinguished by its captivating blend of crystalline blue and deep green tones. A remarkable mineral composition of quartz, kyanite, and fuchsite creates an expressive surface filled with natural movement, depth, and character.

Each slab reveals a unique interpretation of the stone’s extraordinary geological formation, with rich mineral variations that make every installation truly one of a kind. From sophisticated kitchen countertops and elegant bathroom vanities to dramatic feature walls and statement architectural applications, Mocamblu brings an unmistakable sense of luxury and individuality to any space
