PRODUCT DESCRIPTION

DESCRIPTION

NATURAL STONE PORTORO EXTRA QUARTZITE

Portoro Luxury Quartzite is a kind of Black quartzite quarried in Brasil .

The **Slabs Portoro** Quartzite is a striking natural stone consisting of an intense black background with intersecting warm rust coloured veining and silver translucent crystals that give this stone a luxurious persona. The attractive patterns create high movement, and the distinctive veining can be incorporated into any design, from larger applications to unique detailed features that make a bold statement and stand out from the crowd.

Unique natural stone Nero Portoro is one of the most elegant quartzite for premium architectural building projects. Portoro quartzite, drama and elegance alongside a classic colour combination of gold and deep charcoal. These slabs, with their polished finish, offer a tactile bonus across their surface.

The magic of natural stone very much on display in these slabs. A remarkable selection with their central tigers eye feature a spectacular inclusion

Applications : Multiple Applications for Construction and Decorative Purposes, Commercial & Residential Building Projects, Exterior & Interior Countertops, Flooring and Wall cladding, Offices, Bars, Bathrooms, Shopping Centers.
