DESCRIPTION

EXTRA PREMIUM QUALITY NATURAL STONE TRAVERTINO ALABASTRINO SLAB

Travertino Alabastrino is a true work of natural art, embodying all the timeless elegance and charm of Italian stone. With its light cream tones, this premium travertine brings a luminous and refined atmosphere, while dense brown veins weave in a sinuous, captivating motion, almost telling ancient stories etched in stone. Perfect for both indoor and outdoor settings, Alabastrino Travertine transforms into a design element with its various finishes honed, A masterpiece to be enjoyed every day.

Travertine Alabastrino gets its name from its color, which resembles the various shades of beige found in the cream. It is a popular choice for interior and exterior applications, including flooring, wall cladding, countertops, and decorative features. Its natural beauty and versatility make it a sought-after material for both residential and commercial projects.
