DESCRIPTION

DRAMATIC MARBLE EFFECT, TIMELESS ELEGANCE AND EXCLUSIVITY

Arabescato Diva’s aesthetic pays tribute to one of the most iconic Italian marbles, celebrating the rarity of precious materials to create a striking visual impact. Its luminous surface, featuring a light background with golden veining, blends refined design with technical innovation.

Arabescato Diva porcelain slabs bring the refined beauty of classic Italian marble into modern spaces with a durable, high-performance surface. Featuring a crisp white background accented by bold, flowing gray veining, this design creates a sophisticated and timeless aesthetic suitable for both residential and commercial applications.

Crafted from premium porcelain, Arabescato Diva slabs are highly resistant to stains, scratches, heat, and moisture, making them an excellent choice for kitchen countertops, bathroom vanities, backsplashes, wall cladding, and flooring. Their non-porous surface ensures easy maintenance and long-lasting beauty without the need for sealing.

Available in large-format sizes, these slabs minimize grout lines and deliver a seamless, luxurious look. Whether you're designing a contemporary kitchen or an elegant bathroom,
