PRODUCT DESCRIPTION

DESCRIPTION

MARBLE EFFECT PORCELAIN STONEWARE IS A TRIBUTE TO THE TIMELESS BEAUTY OF THE FINEST NATURAL STONE, EVOKING THEIR EXPRESSIVE POTENTIAL WITH ABSOLUTE REALISM ARABESCATO VIOLA

Unique collection pulp red of absolute esthetic and technical import, where all of marble's elegance is combined with the application benefits of **marble effect large-format tiles**. Inspired by the prestige of the most precious marbles of Italian tradition, **Arabescato Viola** effectively meets the needs of contemporary design in any architectural setting, offering considerable creative freedom. Thanks to the surprising realism of pure colors, natural veins, intense shades and transparent clouding, each marble of reference is faithfully reproduced, adding all the benefits of porcelain tiles. With elegant combinations or refined monochrome applications, pulp red extends the continuity of color and tone to the entire environment, increasing its visual impact.

Arabescato Viola porcelain tiles are inspired by the classic look of Arabescato Viola marble, a luxurious stone known for its deep purple to wine-colored veining set against a creamy white or light gray background. The porcelain version recreates this high-end appearance, offering a more practical, durable, and low-maintenance solution than natural marble. Like other marble-look porcelains, these tiles are suitable for floors, walls, backsplashes, and countertops, bringing a touch of elegance and drama to interior spaces.
