PRODUCT DESCRIPTION

DESCRIPTION

DESIGN AND ARCHITECTURE INTENSE WHITE MARBLE EFFECT WITH BOLD VEINING

Calacatta Magnifico celebrates the aesthetic power of Calacatta marble, with grey and

golden veining running across a brilliant white background. Infinity slabs provide seamless visual continuity and a striking material effect, ideal for residential and commercial projects that demand a powerful visual impact

Natura-Vein Tech is a revolutionary innovation developed by Infinity technical experts to obtain **veined slabs 20-MM**, recreating the effect found on natural marble.

The wide range of Infinity collections offers numerous surfaces that combine latest-generation **innovation and technologies** to support the creativity of **architects and designers worldwide**.

With nearly zero porosity, simple and intuitive maintenance and a rich repertoire of colors and finishes, Infinity is the ideal option for any application, both interior and exterior.

Applications : Multiple Applications for Construction and Decorative Purposes, Commercial & Residential Building Projects, Exterior & Interior Countertops, Flooring and Wall Cladding, Bathrooms, Kitchens
