DESCRIPTION

DESIGN AND ARCHITECTURE WARM ELEGANCE WITH GOLDEN VEINING

A luminous, precious marble for exclusive interiors.

Calacatta Oro reproduces the refinement of Calacatta marble enriched by warm golden veining. This surface is ideal for interiors aspiring to discreet luxury, turning every application into a statement of sophisticated style. The large-format slabs allow for seamless surfaces, perfect for bathrooms, designer kitchens and bespoke countertops.

Inspired by the classic beauty of Italian marble, the Calacatta Oro Porcelain Slab boasts a pristine white background with bold, flowing veins in rich gold and grey hues. This elegant pattern evokes a sense of opulence and grandeur, making it a perfect choice for creating statement interiors. Ideal for luxurious countertops, stylish bathroom vanities, and eye-catching flooring, it adds a touch of refined sophistication to any space.

The wide range of Infinity collections offers numerous surfaces that combine latest-generation **innovation and technologies** to support the creativity of **architects and designers worldwide**.
