CREATE BEAUTIFUL SPACES WITH CALACATTA VIOLA PORCELAIN

Calacatta Viola porcelain tiles are a luxurious and stylish choice for flooring and wall applications. Inspired by the natural beauty of Calacatta Viola marble, these tiles typically feature a striking blend of white, deep purple, and grey veining, mimicking the appearance of the natural stone. The dramatic veining and rich color contrasts make Calacatta Viola tiles a stunning visual element in any space.

Expanding on our ever growing collection of exotic marbles, the Marmi de Rosso. This collection is inspired by the classic Calacatta Viola. With its rich reddish brown color and creamy white background mother nature's cocktail of mixing iron and feldspar to create this intoxicating blend of vibrant colors is certain to make any room stand out.

Porcelain Tile: Porcelain is a manmade material composed of natural ingredients fired at very high temperatures, making it a low-porosity, durable tile option that works well in high-traffic, commercial, or hospitality spaces. Porcelain is an excellent choice for floors, bathrooms, showers, and kitchens due to its durability and low porosity. MMG tile & stone curates a selection of porcelain tile that uses the format creatively to extend classic material aesthetics into new spaces and applications or to add a designed style to spaces like lobbies, basements, and garages that previously had fewer options accessible.

The Calacatta Viola Collection Offers Mosaics, whatever project is on your list, you're guaranteed to find one that perfectly suits your space and style.
