Its Polished and commercially rated Matte finishes, large size package with a 4" Hex mosaic and trim package 6x12 Cove Base, 4x12 Bullnose and 1x6 Cove Base Corner make it a perfect choice for bright, warm neoclassical environments.

Marble Look: Carenza Oro Porcelain offers a canvas of opulence and versatility, a masterpiece engineered for those with a penchant for design that transcends time, we understand that the foundations of a desirable space lie in the quality and beauty of its stone surfaces, Carenza Oro Porcelain is not just a material but a celebration of endless possibilities in interior and exterior design.

Porcelain Tile: Porcelain is a manmade material composed of natural ingredients fired at very high temperatures, making it a low-porosity, durable tile option that works well in high-traffic, commercial, or hospitality spaces. Porcelain is an excellent choice for floors, bathrooms, showers, and kitchens due to its durability and low porosity. MMG tile & stone curates a selection of porcelain tile that uses the format creatively to extend classic material aesthetics into new spaces and applications or to add a designed style to spaces like lobbies, basements, and garages that previously had fewer options accessible.
