The new line chapter in the line dedicated to the world's most precious Onyx, Celine is a

premium porcelain tile that masterfully captures the elegance of natural onyx. With its luminous veining, soft color transitions, and high-gloss finish, this tile brings timeless sophistication to any space without the upkeep of real stone.

In an extremely refined, intriguing palette of colours from the enticing Ivory to the elegant Pink, the deep Green and Blue and the dramatic Onyx Black - with its splendid large format, Onyx offers a depth and richness of colour never previously achieved. Moreover, the Silk Tech technology provides excellent anti-slip performances while still retaining the ceramic surface's soft, silky feel
