1 REVIEW FOR DOLOMITE WHITE PORCELAIN TILES

5 out of 5

MMG Marble was easy to work with, and was extremely professional. I ordered the Dolomite White matte porcelain tile in 24x48. It was delivered within two weeks of ordering it. The shipping/packaging was extremely secure & top tier. The delivery company delivered to my garage & was competent and professional. Of the 16 tiles (8 boxes) I ordered, ZERO were broken/chipped. However, 2 of the 16 tiles had slight imperfections in them. That would not be the fault of MMG Marble. Those imperfections are due to the manufacturing of the tile. I've also ordered a ton of samples from MMG Marble, which all arrived expeditiously and packaged well. I do wish that MMG Marble allowed for ordering more than 1 of the same tile sample, so one can put several of the same tile together to attempt to get a more accurate picture of what a tile looks like before ordering. Lastly, I probably would have not chosen the Dolomite White tile had I had a bigger picture of it, although it is lovely. But, I would have preferred a different 'white'.
