DESCRIPTION

EXPRESS YOUR HOME'S PERSONALITY WITH FANTASTICO ONYX PORCELAIN TILE

Fantastico Onyx tile is designed to replicate the luxurious appearance of natural onyx stone. These tiles capture the translucent, rich veining and vibrant colors that are characteristic of real onyx, offering a striking, high-end aesthetic.

Typically made from porcelain, Onyx-look tiles provide the beauty of onyx while being more durable, affordable, and easier to maintain. They are commonly used in spaces like bathrooms, living areas, and feature walls to create a sense of elegance and sophistication. Unlike natural onyx, these tiles are resistant to scratches, moisture, and stains, making them a practical choice for various design applications.

Onyx Look: brings interior decoration up to date with its natural and exquisite elegance. Porcelain surfaces inspired by precious onyx to reinterpret the new contemporary residential and commercial venues with a fresh and dynamic style. The finish is soft and natural, colors are deep and intense. The floor and wall collection creates veritable architectural masterpieces enriched with an exquisite set of decors.
