Imperial Luxe porcelain refers to a type of porcelain tile that mimics the look of marble. This particular marble is known for its luxurious appearance, featuring a white background with bold, elegant veining in shades of gray, white and gold. The porcelain version replicates this aesthetic while offering the practical benefits of porcelain, such as durability, resistance to staining, and ease of maintenance.

Marble Look Experience the refined sophistication of marble look tiles. MMG tile & stone collection offers the luxurious aesthetic of natural marble, combining classic beauty with the durability and practicality of modern tile materials like porcelain.
