CREATE BEAUTIFUL SPACES WITH MILLENNIUM TERRAZZO LOOK PORCELAIN TILES

A unique twist on the famous composite material, the Millennium Porcelain™ series combines the appearance of Byzantine mosaics with the always-on-trend look of Terrazzo. Millennium is offered in a 24x24 field tile size, in two colors, with cool gray tones throughout each: White and Dark Gray. Millennium’s chic style is further enhanced by our Traction Enhance™ Technology finish. Millennium will elevate any design from the mundane to marvelous.

Terrazzo Look: Millennium Porcelain offers a canvas of opulence and versatility, a masterpiece engineered for those with a penchant for design that transcends time, we understand that the foundations of a desirable space lie in the quality and beauty of its stone surfaces, Millennium White, Dark Gray Porcelain is not just a material but a celebration of endless possibilities in interior and exterior design.

Porcelain Tile: Porcelain is a manmade material composed of natural ingredients fired at very high temperatures, making it a low-porosity, durable tile option that works well in high-traffic, commercial, or hospitality spaces. Porcelain is an excellent choice for floors, bathrooms, showers, and kitchens due to its durability and low porosity. MMG tile & stone curates a selection of porcelain tile that uses the format creatively to extend classic material aesthetics into new spaces and applications or to add a designed style to spaces like lobbies, basements, and garages that previously had fewer options accessible.
