PRODUCT DESCRIPTION

DESCRIPTION

DESIGN AND ARCHITECTURE THE ICON OF BLACK MARBLE

Nero Marquina The beauty of large surfaces marble effect, The ideal raw material for creations that elevate quality of life to the status of a masterpiece.

An elegant black with white veining for sophisticated interiors.

Nero Marquinia reproduces one of the world’s most renowned black marbles, featuring a deep background crossed by bold white veining. The intense black offers endless creative possibilities, from rigorous minimalism to contemporary luxury. The bright veining creates striking light-and-shadow effects that enhance every interior, giving spaces a distinctive personality. Nero Marquinia is the perfect choice for projects where contrast becomes a

deliberate and sophisticated design element.

The wide range of Infinity collections offers numerous surfaces that combine latest-generation **innovation and technologies** to support the creativity of **architects and designers worldwide**. With nearly zero porosity, simple and intuitive maintenance and a rich repertoire of colors and finishes, Infinity is the ideal option for any application, both interior and exterior.

Large porcelain stoneware slabs that find application in any type of architectural project. We offer solutions that are tailored to the needs of customers, architects and industry professionals.
