PRODUCT DESCRIPTION

DESCRIPTION

NATURAL CONCEPT FOR MODERN ARCHITECTURE PORCELAIN TILE ONYX IVORY

Used as early as the Egyptian second dynasty in carvings and ornaments, the gemstone is characterized by bands of white and gold veining woven into a smooth, almost translucent appearing body.

Premium Tile for Luxurious Spaces Onyx has endured the ages, much like porcelain tile and will transform your floor into a work of art, stunning everyone who has the pleasure of walking upon it. The depth of movement in the collection creates a richer and more profound profile, allowing designers to add texture, dimension and a robust sensation to their spaces.

Offered in a rectified, polished or matte body, with five designer colors and a variety of mosaic and trim pieces, you can truly get creative and draw inspiration from both historic and contemporary dwellings with this fresh tile.
