DESCRIPTION

ELEGANCE UNEARTHED WITH ONYX PEARL PORCELAIN TILES

Onyx pearl porcelain tiles are a stunning choice for adding a touch of luxury and elegance to any space. These tiles often mimic the look of natural onyx stone, with its swirling patterns and translucent qualities, but are made from durable porcelain. The "pearl" in the name suggests a soft, luminous finish that can add a subtle shine to floors or walls.

These tiles offer the luxurious look of real onyx with the added benefits of porcelain, providing beautiful natural stone-like patterns with a slight shimmer, often in shades of white, gray, cream, and sometimes hints of gold or beige.

Onyx Pearl collection of absolute esthetic and technical import, where all of onyx's elegance is combined with the application benefits of on **Onyx-effect large-format tiles** Inspired by the prestige of the most precious onyx of Italian tradition, Onyx Pearl effectively meets the needs of contemporary design in any architectural setting, offering considerable creative freedom. Thanks to the surprising realism of pure colors, natural veins, intense shades and transparent clouding, each onyx of reference is faithfully reproduced, adding all the benefits of porcelain tiles. With elegant combinations or refined monochrome applications, Onyx extends the continuity of color and tone to the entire environment, increasing its visual impact.
