PRODUCT DESCRIPTION

DESCRIPTION

ONYX THE UNIQUE RADIANCE AND TIMELESS ALLURE OF WHITE

The pearly white background is crossed with rich nuances, characteristic of onyx, renowned for its radiant beauty and serving as the inspiration for this slab’s timeless appearance. Subtle veins add a colourful element, breaking up the compactness of the background. This visual aspect retains the natural elegance of the stone of origin while enhancing its functionality within a surface free of any aesthetic and functional flaws

Infinity is launched with the mission to create a new generation of porcelain stoneware slabs that are the perfect synthesis between aesthetics and functionality, All the Infinity products are made entirely in Italy.

Onyx White is a very versatile porcelain suitable for flooring and cladding, commercial and residential projects, both indoors and outdoors, as well as for bathrooms and kitchens, window sills shower floors, fireplace, and tailor made solutions luxurious decorative objects
