1 REVIEW FOR PIER WOOD LOOK PORCELAIN TILES

Ann - 2025-12-11 18:49:58

4 out of 5

We were trying to match our existing tile. The sample was so small (even though the size was clearly labeled) it is really nearly impossible to tell if the match is good. Now I have to order an entire box (which in my case I'm going to order the whole amount that I need) and pray it's a good match/blend.
