MARBLE LOOK PIETRA BLACK PORCELAIN TILES EXPERIENCE CLASSIC REFINEMENT

The Luxury Collection Pietra Black is a stunning, Marble replica, large format porcelain tile series. It contains a wide range of color and veining variations perfectly suited for commercial or residential installation ,The beauty of authentic Pietra Black Marble from Italy is undeniable, but there are situations - application or project budget - where it might not be suitable. For that we offer Pietra Porcelain. Italian tile technology replicates with amazing fidelity the varied veining of the actual marble and the smooth but slightly undulated surface has the hand feel of true stone. Offered in multiple sizes, Pietra Porcelain allows you to bring the beauty of Italian black marble to any space.

Pietra black porcelain tiles are a type of high-end flooring and wall covering material that

mimics the look of natural stone, particularly dark marble. These tiles are typically used for their sleek, modern appearance and their durability, making them a popular choice for both residential and commercial spaces. Here are some characteristics of Pietra black porcelain tiles:

MMG tile & stone presents PIETRA BLACK EXTRA , the new porcelain range in which the natural marble graphic is treated delicately in an array of colors that range from an grey , white and black color to white veins. The pietra white range can fill public spaces and homes with luxury and sophistication.
