The Statuario collection gets a magnificently polished finish with its new sister line: Statuario Luxe. With artful features such as large format gauged porcelain slabs and popular hexagon and herringbone mosaics, this elegant collection stretches the limits of a marble-look line.

Based on the beloved marbles of ancient times, both Statuario and Statuario Luxe porcelain collections capture the refined beauty of history. A stunning combination of white and gray, this collection is known for the artful veining that flows throughout which has just enough contrast to allow the eye to dance around the tile.
