## PRODUCT DESCRIPTION

### DESCRIPTION

#### CREATE BEAUTIFUL SPACES WITH GREEN TILE PORCELAIN TILE

Luxurious and dramatic, the Verde Tikal Polished porcelain wall and floor tile demands attention in any space. With deep emerald green white veins flowing across a dark green background, this 24x48 marble-look tile offers unparalleled movement and a striking element of color. Complete with a polished finish, it's ideal for creating a more contemporary atmosphere.

From light sage to vibrant lime and deep, dark emerald, there are so many shades of green tile to love. However you decide to incorporate it, choosing green for your next project means you can experience the joy and tranquility of this nature-inspired family of colors inside your home all year round.

Green is a versatile color that pairs effortlessly with cool and warm palettes. From glossy sage to pale mint to deep forest green, there is a shade for traditional, contemporary and modern styles. Emerald green can be prominently featured with shades of dark green and green in porcelain tile.
