THE NATURE OF IMAGINATION CAPTURE THE WORLD IN QUARTZ MOONLIT LACE

Calacatta Marble inspired quartz, featuring a bright white background with dynamic cream and taupe veining

Mont Saint-Michel emerges from the morning mist, a sepia-toned dreamscape where the tide and the time seem to pause. Moonlit Lace captures this ethereal moment, with silver and gray veins that trace the subtle strength and intricate detail reminiscent of the historic abbey's architecture.

Moonlit Lace reflects the quiet majesty of the Mont in the hushed light of dawn, inspiring designs that breathe with an air of old-world elegance. It captures the enigmatic beauty of the fog-shrouded shores, offering a touch of the abbey's timeless grace to the spaces it adorns. Moonlit Lace is an homage to those serene mornings where history whispers through the mist, perfect for creating a space that is as tranquil as the still waters around Mont Saint-Michel

Quartz Transforming living spaces with the essence of our living world. An alchemy of craftsmanship and art, a mastery of beauty Vadara quartz captures the stillness, flow and endless wonder of nature's most captivating corners and sets them into each handcrafted piece, for a surface that's fit for purpose but etched with possibility.
