PRODUCT DESCRIPTION

DESCRIPTION

THE NATURE OF IMAGINATION CAPTURE THE WORLD IN QUARTZ PHANTOM TRAIL

Calacatta Marble inspired quartz, featuring a white background with flowing dynamic light grey veining

In the depths of Fjadrargljufur, Iceland's awe-inspiring canyon, stands as a breathtaking testament to the indomitable spirit of nature. Carved over millennia by a relentless glacial river, this awesome canyon paints a vivid portrait of resilience and beauty. As you traverse the rugged terrain and gaze upon the sheer cliffs that tower above, a sense of wonder and rejuvenation washes over you.

Phantom Trail's cool, wandering veins whisper the secrets of endurance, inviting you to witness the harmony between strength and fragility. Echoing the tapestry of a powerful river, cascading waterfalls, moss-covered rocks and vibrant wildflowers we are forever reminded that even the mightiest forces can be shaped and molded by time.

Quartz Transforming living spaces with the essence of our living world. An alchemy of craftsmanship and art, a mastery of beauty Vadara quartz captures the stillness, flow and endless wonder of nature's most captivating corners and sets them into each handcrafted piece, for a surface that's fit for purpose but etched with possibility.
