THE NATURE OF IMAGINATION CAPTURE THE WORLD IN QUARTZ SAFARI DELTA

Calacatta marble inspired quartz, featuring a bright white background with dynamic taupe and brown veining

As the Okavango's intricate network of channels carves through Botswana's wilderness, it breathes life into a landscape where every path of water is a lifeline. Safari Delta captures the essence of this fertile labyrinth, with its bold taupe and brown veins sprawling across a backdrop of purest white, echoing the rich sediment of the riverbanks and the pristine floodwaters.

Safari Delta's design reflects the vibrant pulse of the African wild, where the ebb and flow of the waters dictate the rhythm of life. It's a convergence of elements, much like the meeting of wildlife at the water's edge, a place of community and survival. Safari Delta offers a piece of this untamed sanctuary, a design that brings the drama and serenity of the Okavango's waters into your space, allowing for a design that is as bold as it is natural

Quartz Transforming living spaces with the essence of our living world. An alchemy of craftsmanship and art, a mastery of beauty Vadara quartz captures the stillness, flow and endless wonder of nature's most captivating corners and sets them into each handcrafted piece, for a surface that's fit for purpose but etched with possibility.
