THE NATURE OF IMAGINATION CAPTURE THE WORLD IN QUARTZ TERRA VISTA

Poanazzo Calacatta Marble inspired quartz, featuring a white, tan and grey background with flowing beige, grey, and rust veining

In the heart of winter, Sedona's iconic red rocks stand in stark, beautiful contrast against the crisp, white snow. Terra Vista captures this rare convergence, with delicate veins of beige, grey and crimson that mimic the trails of the earth against the pure, snowy blanket that drapes over the silent mountains.

We aimed to encapsulate the quietude of Sedona in the chill of winter, where the vivid warmth of the land is cooled by the touch of snow. Terra Vista brings forth the calm repose and stunning visual harmony of red rock country in winter, offering a design that marries the fiery spirit of the desert with the gentle hush of snowfall. It's an embodiment of Sedona's ability to wear the seasons with grace, making it ideal for spaces that yearn for a touch of natural elegance

Quartz Transforming living spaces with the essence of our living world. An alchemy of craftsmanship and art, a mastery of beauty Vadara quartz captures the stillness, flow and endless wonder of nature's most captivating corners and sets them into each handcrafted piece, for a surface that's fit for purpose but etched with possibility.
